Transmission:	shaft line
Cabins:	1
Berths:	2
Water tank:	1 x 200 lt.
Fuel tank:	2 x 370 lt.
Location:	Campania, Italy
Asking Price:	€ 150.000 VAT included

Commissions TBA

DESCRIPTION

The Acquamarina 9 Open is an elegant planing cruiser in the classic Sorrento style.

Built in late 2021 and launched in June 2022, she combines artisanal craftsmanship with the performance of a sport boat.

From the shipyard:

“The design of our boats, together with technological innovation and respect for tradition, makes Acquamarina a dynamic and tangible presence in Italian boating.

Our innovative construction techniques allow us to build exceptionally robust vessels that remain remarkably flexible at sea.”

Hull and Performance

The variable-geometry hull has a deep V at the bow that flattens progressively toward the stern. She is powered by twin FNM 320 hp engines with 1,000 hours, regularly serviced.

She cruises at 25 knots and reaches a top speed of 35 knots.

Deck and Interior

The deck is entirely solid teak.

The cockpit offers a comfortable seating area and a central console with an integrated forward-facing bench.

Below deck, the interior is compact but carefully designed, with light, neutral tones that make it bright and welcoming.

The saloon features a spacious dinette with a fridge and an L-shaped sofa that doubles as an extra berth.

The forward cabin has a large V-shaped double bed and a separate bathroom.

The cream radial paneling behind the headboard adds a touch of elegance.

Recessed LED spotlights in the ceiling complete the modern, minimalist look.

Specifications

- Materials: GRP and fine woods
- Overall Length: 10.90 m
- Beam: 3.50 m
- Draft: 0.75 m
- Displacement: 5.5 t
