From the Shipyard

“The Italyure 35 serves as the entry-level model in the Italyure Yachts range: more compact than the 38 while offering the same generous living spaces, both inside and outside.

Perfect as a day cruiser, it is ideal for friends and family.

The cockpit is designed for maximum comfort, featuring a spacious C-shaped convertible sofa at its center, creating a welcoming environment for socializing and relaxation.”

The interiors of this Italyure 35 are bright and minimalist, with glossy white and anthracite gray tones for an elegant and modern look.

Essential lines and carefully selected materials visually expand the spaces and enhance the overall style.

The living area welcomes you with a well-designed and functional dinette.

The furnishings contribute to a relaxed atmosphere and a pleasant sense of spaciousness.

The bow cabin, featuring a generous double bed, invites you to unwind.

The overhead hatch and side windows allow natural light to filter in, creating a harmonious and inviting environment. There is a separate bathroom equipped with a shower.
